DAY 2 - TUESDAY, NOVEMBER 3

BUSINESS MATCHING, EXHIBITION & CONNECTIONS

9:00 AM - 5:00 PM	**Exhibition Hall Open** Meet participating companies, technology providers, operators, service providers and industry professionals.
All Day	**Business Matching** Continue conversations with potential customers, partners, service providers and industry connections identified through the Summit.
All Day	**One-on-One Meetings** Use Day 2 for deeper conversations with the people you discovered during Day 1.
All Day	**Technology & Solution Discovery** Explore equipment, services and solutions across agriculture, mapping, surveying, inspection, infrastructure, public safety and commercial drone operations.
All Day	**Cross-Border & Industry Networking** Connect with participants from Canada, the United States and across different sectors of the commercial drone industry.

DAY 1: HEAR THE CONVERSATIONS.

DAY 2: MAKE THE CONNECTIONS.

Two days. Different formats. One purpose: helping the right people find each other.

WHERE DRONE BUSINESS GETS DONE.

Program lineup is subject to final speaker confirmation and minor schedule adjustments.
